### Clubs & Innovative Programs

Our dynamic school culture thrives on creativity and collaboration. Our Club Portfolio Options and Innovative Programs add new dimensions to life at school.

#### Club Portfolio Options

We recognize that effective learning does not always take place exclusively in the classroom. As a school, we wish to broaden learning horizons so that students can connect the outside world to their experiences in school. Each club in the school aims to provide these enrichment activities in their own way. Clubs are perhaps one of the most anticipated programmes at ESM.

1. Literary Club (Word Weavers)
2. Dramatics (Natyashala)
3. Music Club (Symphony Squad)
4. Cuisine Club (Flavour Explorers)
5. Financial Management (budgeting brigade)
6. Creative Art Club (The Imagination Station)
7. Science Club - Curiosity Crew
8. Eco Sustainability Club (Green Guardians)

#### Innovative Programs

At Edify School, we believe that true education is only complete when a student learns to think independently and critically, is well-informed and socially responsible. We offer a range of innovative programs that are designed to provoke thought, reflection, engagement and action with issues that concern the world at large. Our Innovative Programs ensure that students have opportunities, platforms and spaces to make their voices heard and to engage with views different from theirs, while developing core skills and tools that will serve them in good stead.

## Thinking Classrooms @ Edify Medchal

Thinking classrooms at Edify School Medchal are designed to actively engage students in their learning. Key features include:Student-Centered Learning: Students take charge of their learning through discussions and collaboration.Open Dialogue: A culture of questioning encourages students to share ideas and challenge each other.Problem-Solving Focus: Real-world scenarios help students apply knowledge and think critically.Feedback and Reflection: Regular feedback and self-reflection promote understanding and a growth mindset

### Awards, Recognitions & Associations

ES has partnered with the British Council Library to offer our students access to a world-class collection of books, films, and multimedia resources. Through this collaboration, our students can utilize curated library resources and information services to enhance their research and broaden their perspectives.

DRS International School and Edify has been awarded the 'Future 50 Schools Shaping Success Recognition' as one of the TOP 50 Schools in India in the International Curriculum segment for preparing students to succeed in the 21st century.

DRS International School and Edify Group of Schools has been honoured for Developing 3C Curriculum which is a 3 Dimensional approach of imbuing character, developing and inabling and designed to bring balance between content and concept. The award is a testament to the group's pursuit of innovation.

DRSIS and Edify Group of Schools are certified by the Global League Institute, London, as Great Places to Study.'Great Place to Study' Certification is a recognition for reaching and maintaining global standards. ES has a strong focus on student satisfaction practices such as learning experiences, life on campus, happiness quotient etc as it has great courses, infrastructure, and faculty.

Edify School has been honoured with the International School Award by the British Council for successfully embedding international-mindedness in the school curriculum and fostering a global outlook through the school's vision and endeavours. The award recognizes outstanding commitment to internationalism.

### Why Choose Edify School Medchal?

#### Teacher-Student Ratio

Our 1:25 ratio ensures that our students experience personalized learning while still enjoying the scope of collaborative and peer learning experiences.

#### Professional Development

Our well-qualified facilitators enjoy CBSE Professional Development Workshops and Faculty Development Programmes that give them an extra edge.

#### Qualitative Assessment

A comprehensive system of assessments shape teaching and learning. Internal assessments, including subject enrichment tasks, practicals and projects, interventions such weekly and monthly tests, equip students to tackle examinations with ease.

#### A World of Resources- Our Information & Media Center

Our Information & Media Center offers over 15,500 books, journals, encyclopedias, and multimedia resources. Alongside our Wi-Fi-enabled classrooms, these resources enhance students' learning experiences and support their academic growth.

#### Field trips: Real-World Connections

Field trips at Edify School extend learning beyond the classroom, helping students connect with the real world. These experiences make learning relevant and meaningful, fostering significant links and

deeper exploration of various subjects.

#### Career Guidance & Counselling

Our in-house career counsellors provide personalized support to help students discover their interests and strengths. Through a comprehensive program, students receive guidance on higher education and career pathways. The University Placement Cell and our virtual career guidance portal offer additional tools and resources to assist in making informed choices.

#### University Visits

Edify School attracts top ranking global university representatives and hosts events like fairs and webinars to guide students and parents through their higher education options.

#### Scholarship Assistance

The Edify Scholarship Programme encourages academic excellence by offering tuition fee waivers as defined by the schools scholarship policy, helping meritorious students follow their academic pursuits and make the most of our academic support systems.

#### Visual & Performing Arts

At Edify School, students enhance their creativity through visual arts like painting and sculpture, while the extensive Performing Arts program offers training in Instrumental and Vocal Music, Western Dance, and Indian Classical

Dance.

#### Our Sports Education Programme

We offer a range of sportive pursuits to help our students experience identity, active living and interaction first-hand. Students choose to learn pursuits such as Gymnastics, Karate, Swimming, Skating, Cricket, Basketball, Football, Tennis, Archery, Chess and Table Tennis, Lawn Tennis as part of our extensive Sports Education Programme.

#### Parents are Essential Partners

At ESM, parents are vital partners, sharing insights as seminar speakers, collaborating on events, and participating as judges in competitions. As ambassadors, they promote the school's values and achievements, enhancing the educational experience for all students and strengthening community bonds.

#### Good & Quality Communication

Quality communication between ESM and parents is crucial for fostering growth. Keeping parents informed about activities, policies, and student progress strengthens their involvement. This partnership facilitates collaboration in overcoming challenges and celebrating successes. Regular updates and open dialogues build trust, enhance student outcomes, and create a positive community environment.

# A Fine Balance!

At Edify School Medchal, we strike the perfect balance between the national curriculum and an international approach, giving our students the best of both worlds. An uncompromising focus on academic rigour, complements our focus on **the development of the whole child through the development of skills and their innate potential.**

Opportunities for collaboration, discussion, application and experiential learning draws on the strengths of the CBSE Curriculum at Edify School Medchal, equipping students with the knowledge and tools they need to thrive and excel at school and beyond.

## A curriculum that blends rigour with creativity...

### THE EDIFY

## 3C Curriculum

The Edify 3C curriculum focuses on three key components: Character, Competence, and Content. Here's a brief overview of each component.

**Character:** This aspect emphasizes the development of moral and ethical values. It aims to cultivate traits like integrity, empathy, and resilience, helping students grow into responsible and caring individuals.

**Competence:** This component focuses on equipping students with the skills they need for success in

### BENEFITS

various domains,

including critical thinking, problem-solving, and collaboration. The goal is to prepare students for real-world challenges and future careers.

**Content:** This involves the knowledge and information that students acquire across different subjects. It ensures that learners have a strong foundation in core academic areas while also integrating interdisciplinary approaches. Together, these components create a holistic educational experience that prepares students not just academically, but also socially and emotionally.

### Subject Combinations

At Edify School Medchal, we offer the following subject choices for students of Grades VI-X in addition

## EMITs

Edify Medchal  
Inspire Talk

A signature program for confidence building.

to English Language & Literature, Mathematics, Science, Social Science and ICT. (Financial literacy and Entrepreneurship will be taught as a part of Inspire 360 Programme.)

### Grades VI- X

Choice of Second Languages:

- Hindi
- Regional Language

### Grades VI-VIII

Choice of Third Languages:

- Hindi
- Regional Language

As per CBSE norms, either the second or third language option must be Hindi for students of Grades VI-VIII.

### Co-Scholastic Areas

Co-scholastic activities at Edify School Medchal (ESM) enrich student development beyond academics. The Sports Education Programme promotes fitness and teamwork, while the Art Education Programme encourages creativity. Life Skills Education equips students with essential social skills, and Personality Development activities build confidence and leadership. Career Building initiatives provide insights into future pathways, and Community Service fosters social responsibility. Together, these programs ensure a holistic, well-rounded education that prepares students for both academic success and life beyond the classroom.

# Academic Support you can count on!

With regular and ongoing internal assessments, practice papers and evaluation mechanisms, students at Edify School Medchal have several opportunities and avenues to receive extensive feedback on their progress and performance.

Additionally, the school offers enhancement and remedial classes to give students an extra competitive edge.

Parents are also closely involved in the monitoring of their child's progress as the school keeps the parent community informed through the school's ERP app that provides updates about classroom transactions and assignments, and through platforms for interaction such as regular Open-House Days and Parent-Teacher Meetings, Coffee Morning and Student Led Conferences.
